graduating from Linn-Benton Community College. I live in Corvallis, OR, and I'm planning to transfer to OSE this Fall to continue study for a bachelor's degree. During the study at Osneskota, I'm taking both Coding class and Business class, hopefully it will help me to get Business Minor degree in

ground with my 6 pets a lot.Furthermore, Minecraft, as a game inspired me to create blocks and manage things, which is my favorite videogame.</p>+</a>
